## **“SPEAK THE WORD”!**

Dearly Beloved,

Few things in life are as important as speaking God’s Word EVERY DAY. When you confess His Promises over your life, your circumstances, your job, and your family, things can change.

Yet in our busy day-to-day lives, we often feel we just don’t have the time. These 40 Days of Speaking The Word on purpose will help! For the next 40 Days, this simple plan will help you activate the spiritual force of speaking God’s Word- starting now. Speak the following Words of life EVERYDAY! SPEAK THEM THREE TIMES A DAY.

**GOD’S WORD WORKS!**

Faithfully Speaking God’s Word,

Dr. Carol E. Dixon

Your tongue is the most powerful weapon and force of your life. Proverbs states the tongue has the power of life and death in it. In James 3, James states that you can control your whole body by that small member that you have, called the tongue. As a rudder guides a ship and a bit in a horse's mouth causes it to go the right direction, so also your tongue can guide your thoughts, your emotions, and your body into paths of prosperity and success, and be a tremendous power for good.

But on the negative side, your tongue can be used to damage and destroy your physical body, your thought life, and your emotional reactions. Corrupt words can destroy people around us, for the psalmist states that words are like the piercing of swords. You set on fire the course of nature by what you speak because hell acts on your words. Hell can act only on your words, so every negative word you speak sets hell into activity. This is why God spoke to Joshua (Joshua 1:8 NASB) and said,

“This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success”.

This little verse in Joshua is the key to all prosperity!  
Speaking God's Word can make you successful in every area of your life!
